Missouri Medicare Supplement Rate Action, Effective January 1, 2021

November 4, 2020

Anthem Blue Cross and Blue Shield (Anthem) has received approval for our 2021 Medicare Supplement plans premium amounts for Missouri, effective January 1, 2021.

We've linked the [interim Outline of Coverage](#) with approved rates for the Modernized plans, effective January 1, 2021. **Please note this interim Outline of Coverage is for effective dates of January 1, 2021 and after.** For effective dates in 2020, you can continue to use the current kits. Please order small quantities of the current sales kits.

Important Information

MACRA (Medicare Access and CHIP Reauthorization Act of 2015) created new rules for those who become Medicare-eligible on or after January 1, 2020 due to age or disability (defined as 'newly eligible'). The new rule prohibits those newly eligible for Medicare from purchasing Plans C and F. (Anthem offers Plan F.) We continue to make Plan F available to those eligible for Medicare prior to January 1, 2020.

As soon as we have the new Medicare amounts, we will update the Outline of Coverage with the 2021 rates and the 2021 Medicare amounts and let you know when you can order larger supplies of the sales kits for your 2021 sales.
