

### **Connecticut Medicare Supplement Rate Action, Effective January 1, 2021**

October 8, 2020

---

Anthem Blue Cross and Blue Shield (Anthem) has received approval for our 2021 Medicare Supplement plans premium amounts for Connecticut, effective January 1, 2021.

**Please note this interim Outline of Coverage is for effective dates of January 1, 2021, and after.** For effective dates in 2020, you can continue to use the current kits. Please order small quantities of the current sales kits.

#### **Important Reminder**

- **MACRA (Medicare Access and CHIP Reauthorization Act of 2015)** created new rules for those who become Medicare-eligible on or after January 1, 2020, due to age or disability (defined as 'newly eligible'). Those individuals who are newly eligible for Medicare are prohibited from purchasing Plans C and F (Anthem offers Plan F). Clients currently enrolled in Plans C or F can keep their plan. In addition, we will continue to make Plan F available to those eligible for Medicare prior to January 1, 2020.

As soon as we have the new Medicare amounts, we will update the Outline of Coverage with the 2021 rates and the 2021 Medicare amounts, and let you know when you can order larger supplies of the sales kits for your 2021 sales.
