G	13%	23.2%
K	9%	18.8%
N	13%	23.2%

A rate restructure is being implemented on all Medicare Supplement plans in the State of Utah for new and existing business. The restructure includes the conversion to a 5-digit zip code rating structure as well as moving from a single-state wide area to two areas, rated by 5-digit zip codes.

To facilitate the restructure, the BFLIC Medicare Supplement eApp will be unavailable for use on Wednesday, August 19th in Utah. Other products, including BFAC Medicare Supplement, will still be accessible via the eApp on August 19th in your state. Access to the BFLIC Medicare Supplement eApp in Utah will resume on Thursday, August 20th.

The Outline of Coverage has been updated and will be available for online ordering and download via the ADDS library effective September 1, 2020.

Rate revisions will also be occurring for the closed B 9200 Preferred and

Standard Medicare Supplement policies, effective immediately. Please be aware that this only affects your policyholder's policies that have effective dates of 01-01-1992 to 05-31-2010. Please note, the closed B 9200 series Preferred & Standard Medicare Supplement policies are not being restructured. Refer to the chart below:
