MACRA Updated Forms

In compliance with the requirements of the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA), the Outline of Coverage has been revised. The benefit chart has been revised to reflect Plan C and F are only available to applicants that were first eligible for Medicare before January 1, 2020. Agents should begin using the revised outlines effective July 1, 2019 since this is the earliest date open enrollment applicants may start applying for coverage with a January 1, 2020 effective date.
