

Discontinuation of Medicare Supplement

The American National Health Division has determined that the Garden State Life Medicare Supplement product has not developed the necessary critical mass in order to be effectively competitive. Effective January 31, 2022 we will no longer be offering this product, policy form series GSL-2020.

We will continue to accept applications dated on or before January 31, 2022 with effective dates through March 28, 2022 (except as required under federal law) and received in the home office by February 15, 2022.

We consistently evaluate product effectiveness and production in the marketplace. We remain committed to bringing you the most viable products that will help meet your diversified sales needs and assist you in gaining a competitive advantage.

For producer use only. Not for use by the general public.
