THE LATEST LTC UPDATES FROM JOHN HANCOCK

## Product News

### Next round of in-force rate action notifications to take place in late September

In late September, we will begin policyholder notifications on the next round of John Hancock and Fortis policies impacted by the in-force rate actions, which will have an effective date beginning with anniversaries on or after **January 1, 2023**.

The 2019 rate action notifications will include John Hancock LTCI individual policies originally issued in **Arizona, Connecticut, Indiana, New Hampshire, Pennsylvania** and **Tennessee**. John Hancock will continue the implementation of the 2019 rate increase for John Hancock LTCI individual policyholders in **Wyoming** who received an initial “capped” or “phased-in” increase.

The 2016 rate action notifications will include John Hancock LTCI individual policies originally issued in **Oregon**. John Hancock will continue the implementation of the 2016 rate increase for John Hancock LTCI individual policyholders in **Wisconsin** who received an initial “capped” or “phased-in” increase. John Hancock will continue the implementation of the 2016 rate increase for Fortis LTCI individual policyholders in **Delaware** who received an initial “capped” or “phased-in” increase.
