Next round of in-force rate action notifications to take place in late January

In late January, we will begin policyholder notifications on the next round of John Hancock and Fortis policies impacted by the in-force rate actions, which will have an effective date beginning with anniversaries on or after **May 1, 2022**.

The 2019 rate action notifications will include John Hancock LTCI individual policies originally issued in **Minnesota, Nebraska, New York, Pennsylvania** and **Texas**. The 2019 rate action notifications will include the continued implementation of the 2019 rate increase for John Hancock LTCI individual policyholders in **Connecticut** and **Maine** who received an initial “capped” or “phased-in” increase.

The 2016 rate action notifications will include John Hancock LTCI individual policies originally issued in **Kansas, Ohio** and **Rhode Island**.

The 2013 rate action notifications will include John Hancock LTCI individual policies originally issued in **Rhode Island**.

Important Reminder:

John Hancock transitioned to electronic delivery of your Producer Notifications in September 2021. Producer copies will be available *only* through our e-Delivery Program. **If you have not already registered, please sign up now to access insured notifications.** You can review by visiting www.JHSalesHub.com and registering for access to your online documents to ensure you can view copies of the actual Policyholder Notification Packages.

For producer use only. Not for use by the general public.
