Effective **July 1, 2019**, the Medicare supplement Part B deductible offset will be \$200 in all states where it is currently \$150 (\$175 in WI). This applies to Plans C and F only and any state special plans/riders. The Part B offset change will better align with the Part B deductible and industry standard Part B offset.

*(The Part B deductible offset is the amount of premium associated with the Part B deductible. Commissions are not payable on this amount.)*
