## Lower Dental Rates in Colorado

We are pleased to announce a **rate decrease of 12.5%** in Colorado on the Mutual Dental Protection<sup>SM</sup> (DNT5), **and a 2.5% decrease** on Mutual Dental Preferred<sup>SM</sup> (DNT2). Colorado has also approved a **2.5% decrease** on the vision rider and a **15% multi-policy discount**, effective **June 1, 2021** for new and in force business.

The **15% multi-policy discount** applies when a Mutual Dental Preferred<sup>SM</sup> (DNT2) or Mutual Dental Protection<sup>SM</sup> (DNT5) is written with a Mutual of Omaha or its affiliates Medicare supplement policy. A **15% discount** on the dental premium will be applied when the dental application is signed on or after the Med Supp application sign date and within 30 days after the Med Supp policy issue date.

For any Mutual Dental Protection<sup>SM</sup> (DNT5) policy, Mutual Dental Preferred<sup>SM</sup> (DNT2) policy and the Vision rider written prior to June 1, 2021 for Colorado – the rate decreases will adjust (going forward) at the next premium renewal date.

The application book is updated and available to order today through normal channels. Take a dental application today using the e-Application.

Note: The new rates are available in the application book.

**For producer use only. Not for use by the general public.**
