Med Supp High Deductible Plan G- New States

Medicare changes January 1, 2020 from the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) offer you the opportunity to provide your clients with a new Medicare supplement plan option. That new option is a **High Deductible Plan G** and this plan will be available to any individual purchasing a Medicare supplement plan with an effective date of January 1, 2020 or later.

Effective October 4, 2019, High Deductible Plan G for effective dates of January 1, 2020 or later will be available in the following states:

- Colorado
- Louisiana
- Nevada
- New Hampshire

High Deductible Plan G*

- Pays the same benefits as a Plan G once the annual plan deductible is met – 2019 annual deductible is \$2,300
- Does not cover the Part B deductible amount – 2019 Part B deductible is \$185
- Part B deductible counts toward the annual deductible amount

**Deductibles are subject to change January 1st each year.*

Applications:

e-App

As of October 4, High Deductible Plan G will be available on the Medicare supplement e-App and to quote on the Mutual mobile quote app.

For producer use only. Not for use by the general public.
