

# Medicare Supplement Indiana Rate Change

## Rate change for Medico Life and Health Insurance Company's Medicare Supplement policy series in Indiana effective Aug. 1, 2021.

Thank you for partnering with Medico to provide customers with insurance coverage that meets their needs. Your partnership is important to us.

We're writing to inform you about a rate adjustment for a current product you can write in your state — Medicare Supplement. The rate adjustment will be implemented for **renewals** and **new issues** with an application date of Aug. 1, 2021, or later. Applications dated before Aug. 1, 2021, will use the previous rates, even if the policy has a future effective date.

Effective Aug. 1, 2021				
Plan A	Plan F	Plan HdF	Plan G	Plan N
0%	9%	0%	9%	0%

The factors in some geographic areas have also been adjusted. Generally, this is a neutral action, with some area factors adjusting up and others adjusting down.

An updated rate guide PDF will be available July 15, 2021.
