

Medicare Supplement Rate Adjustments

Rates will be adjusted in Oklahoma on 01/01/2021. Rates will be adjusted in Delaware, District of Columbia, Indiana, North Dakota, Texas, Wisconsin, and Wyoming on 02/01/2021. Rate will be adjusted in Pennsylvania and Virginia on 04/01/2021. There will be no rate changes in Maryland and New Jersey.

Premium rates are guaranteed for the first year a policy is in force. Letters to existing policyholders whose policies have been in force for more than one year will be mailed from our office and will explain that rate increases will take effect after the required notification period has been met.

All New Business applications signed and dated before or on the day prior to effective dates should use the current premiums. Applications signed and dated on or after each state's respective effective date must use the new premium rates.
