

North American is making internal changes, and this includes providing you with a new agent code for Life Insurance sales. Please use this new agent code for **Life** sales, solicited on or after July 1, 2019 as your previous agent code will be deactivated for any **Life Insurance** and should no longer be used. They will be sending out emails to all active agents with the new agent codes. When you get this email, the only change will be your agent code, and your contract will still be under Premier. If you have any questions please contact Team Kathy at 800-365-8208 ext 607.

For producer use only. Not for use by the general public.
