New for 2020!

- The Enrollment Discount for AARP Medicare Supplement Plans for plan effective dates of January 1, 2020 and later, has improved in most states:
 - Increased enrollment discount is now 39% (previously 36%) at age 65.
 - Increased discount duration, now 16 years from 12 years in the previous discount program.
- As of January 1, 2020, members enrolled in an AARP Medicare Supplement Plan in most states can take advantage of beneficial services through At Your Best by UnitedHealthcare™.¹ This new offering includes health and wellness resources, a fitness component², discount programs and support services - **all at no additional cost!**
- Effective in 2020, male and female rating will be implemented in most states resulting in different rates based on the individual's biological sex. Male/female

rating will apply to new enrollees and most current insured members who hold a modernized plan and move into a male/female rated state.
