WHAT'S NEW?

10% MULTI-INSURED DISCOUNT

Great news, Oklahoma! Starting January 1, 2023, a multi-insured discount of 10% will be available to insured members in Oklahoma. That's 10% off the monthly premium if two insured members are on the same AARP membership household account and each is insured under an AARP Medicare Supplement policy (original plan effective date is June 1, 2010 and later) with UnitedHealthcare. This discount will be available to both new enrollees and current insured members. Those enrolled prior to June 1, 2010 will not receive the 10% discount.
