**IUL Express and GUL Express – Now Available on e-App!**

We are excited to announce IUL Express and GUL Express are now available on the iPipeline e-Application. Not only will you be able to submit your applications electronically, but both products will feature [Automated Underwriting](#), Mutual of Omaha's point-of-sale instant decision process.

We created the producer training videos below to walk you through the different processes for both IUL Express and GUL Express.

### Preferred Browsers

- Please make sure you are using the current version of one of the preferred browsers below.
  - Chrome
  - Firefox
  - Edge
- Safari – For the time being, do **not** submit applications using Safari on Apple devices. We are currently working with iPipeline to fix security issues caused by the recent Apple iOS/macOS update. Please use the current version of Chrome or one of the browsers above.

Submitting applications electronically is more important than ever, we are excited to offer a solution that can provide both an underwriting decision at point-of-sale and as well as a faster submission process for you and your clients.

**For producer use only. Not for use by the general public.**
