United World Indiana Outline Clarification

On May 22, 2020, a new outline was released for the Indiana United World Medicare supplement due to a rate adjustment effective June 1, 2020. Inadvertently included in that outline were new underage 65 rates on Plan A.

The state of Indiana, effective July 1, 2020, requires all carriers offering Medicare supplement in the state to offer a plan that includes an underage 65 rate. United World is offering that rate on their Medicare supplement Plan A. However, those rates are not effective for new business sales until **July 1, 2020**.
